

Dear Local Business Owner,

December 9<sup>th</sup>, 2016

Our 2016/2017 season is about to begin. We are offering you and your business a chance to step up to the plate and make a difference in our community and in the lives of the young men on our teams. Due to the school cut back, your support is greatly needed to produce a productive and rewarding season.

We are currently gearing up for another successful season. We are looking forward to providing a Win/Win partnership for our sponsors as well. We have well over 400 local friends, family members and community supporters who attend our games.

Lakewood High School, the City of Lakewood, Long Beach Unified School District and the supporting communities are very proud of the rich tradition that is Lakewood Lancer Baseball, "Tradition Never Graduates". Our Program helps to groom our leaders of tomorrow by setting standards that have made it possible for a number of our student athletes to earn scholarships, further their education and several of our players have advanced to play at a professional level.

Any successful program begins with the support of the surrounding community and businesses. Therefore, prior to and during our season, our booster club will be working hard to raise funds and would really appreciate your help. The Lancers Baseball Program recognizes, promotes and truly appreciates the support of our sponsors! Check out our website, [www.lakewoodbaseball.org](http://www.lakewoodbaseball.org).

In order to make the most out of season we are asking local businesses, such as yours, to partner with us and help support our team. Any donations, items or cash, would really be appreciated and benefit our winning high school baseball program.

If you would like to make a contribution or have any questions please contact us at [s.hurst5@verizon.net](mailto:s.hurst5@verizon.net) or [thechevyfam@aol.com](mailto:thechevyfam@aol.com). Remember your donation is tax deductible.
